**True story:** A guest shared with us that their 1998 car was in need of major repairs, the only vehicle available to carry a family with five children. Unable to afford a car payment, finding a replacement car was not an option. It turned out there were metal shavings in the transmission and brake fluid. The family was able to buy gaskets and parts needed for the repairs, but couldn't afford all the fluids needed to replace what was lost. In their words, "God knew exactly what we needed!" Lo and behold, on our pantry shelves, was transmission and brake fluid! "Thank you so much for everything, and especially for those items so desperately needed to get our vehicle back on the road!" Those are items we rarely have available to share, so it was definitely a "God thing!"

## Top Rating!

We've received a 4-star rating from Charity Navigator, which means we're accountable, transparent, and financially healthy!

## Christmas is coming!

See the reverse side of this newsletter for a list of the most-needed items we're collecting this year for **Christmas Blessing Express**. Bless a family in need through our annual gift-giving program.
