### Christmas Greetings from Misty!

We were thrilled to have a visit from Misty the other day! “Know that I am thinking of you - keep doing what you are doing. I just really appreciate it and I know there are other people who are like me that appreciate it so much.” Misty is a successful student from our Nurse Aide program. She is continuing her nursing education thanks to the support she received at New Hope! Thanks to you, we can share these success stories.
From our New Hope Ministries family to yours, we wish you a *Merry Christmas*!
