## New Hope Ministries Update

February 2022

### Meet Sava.

Sava was working in a good job for over 25 years. Suddenly, with unforeseen circumstances beyond his control, he could no longer perform his job duties and he was let go by his employer.

Sava came to New Hope Ministries for help, and he found out about our Road to Success program. By working with our staff, he was able to find a new job that perfectly suit him. Sava shared this with us:

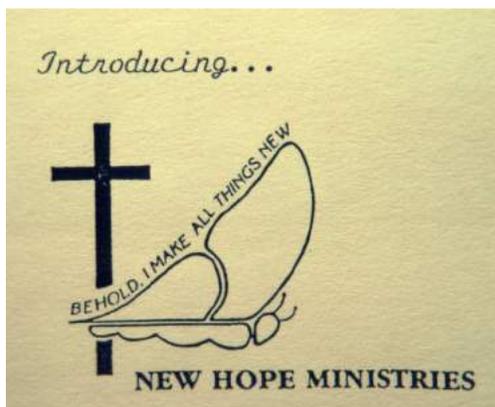

*“Starting over after 25 years at one job is very scary, and I was nervous. The interviewing process and application process have totally changed since I was job hunting. That is why I am very grateful to the New Hope team for everything. Dress for Success helped me to get some nice clothes for my new job. Many thanks for all your help and support. I could not have gotten a new beginning without you.”*

**Thank you** for giving the people we serve, like Sava, a new beginning again - your support changes lives!

**Did you know** 39 years ago on January 3rd, New Hope Ministries opened their doors in the Dillsburg community? Here's a photo of Marian Musser - one of the original founding trustees of New Hope who also sat on our Board of Directors. And here is our first logo we had! It's fun to take a trip down memory lane and remember our beginnings.

An amazing 39 years of loving community support for our programs to serve those in need! What a blessing indeed.

And so we know and rely on the love God has for us. God is love.  
Whoever lives in love lives in God, and God in them.  
1 John 4:16
