New Hope Ministries Update

January 2022

What was in the envelope?

Lisa, Program Manager at New Hope Ministries, recently shared a story about a guest we served who participated in our workforce development program and eventually obtained his CDL (truck driving license), which lead to a full-time job. During the last week of December, he stopped by with an envelope for Lisa. When Lisa opened it, she found a heart-warming Christmas card message, and to her surprise, a

donation for New Hope! You see, this gentleman is now back on his feet again and making a living wage. He wanted to “pay it forward” so others who find themselves in the same situation as he did would find HOPE and help at New Hope like he did. How beautiful!

YOU are the reason we have these stories to share. God bless your support of New Hope Ministries!

“Call to me and I will answer you, and will tell you great and hidden things that you have not known.”
Jeremiah 33:3
