## New Hope Ministries Update

May 2021

## Meet Ismael and his daughter Genesis!

Ismael was a sanitation worker at a local business, but is now out of work due to a company fire. The loss of income has been devastating to the family and it was coupled with their car breaking down and their inability to afford a new car payment. They were blessed to receive a minivan from New Hope Ministries! It is perfect for their three children and getting Ismael back and forth to his temporary job he found at our Career Fair until he can return back to his sanitation work. And young Genesis received her own set of wheels, too, from a special donation received at our ministry! **Thank you** for supporting our programs that bring joy and hope to those struggling from circumstances that are beyond their control.
