“I was at my lowest point, and you were there for me and my family.”

We recently had a young mother come to New Hope for help. It is the last place she ever thought she would need to go. Things were seemingly going well, but in an instant, everything can change. She found herself having to pick up the pieces of her husband’s departure and needing to very quickly find a job that would provide for her and her children.

Additionally, she had to find a new vehicle in order to get back and forth to work. She came to New Hope and we provided her with food and help with paying her rent. She found a job and was ecstatic to learn she was going to be receiving a car from us, too (made possible because someone had donated a good-working car to New Hope). She was moved to tears and just could not believe we could be so generous.

Our guests will often tell us they never thought they would ever need to come to a place like New Hope for help, but all it takes is one event and your world can turn upside down.

Thank you for helping this young mother care for her family and continue her journey. In her very own words:

**When I am afraid,
I put my trust in you.** Psalm 56:3
