April 2023 Update

God works in miraculous ways!

New Hope Ministries recently helped a young couple who were homeless and living out of their car. They came to New Hope not knowing what to do or where to go. We helped them with food and were beginning to see how we could assist them with housing when a phone call came in. The call was from a local landlord who was looking to help a family in need with ... you guessed it ... housing! What a miracle!! The young couple and the landlord met and they found they had many things in common and made an immediate bond. They were housed that evening and staff and volunteers at New Hope Ministries helped them with items for their new home.

Pictured here are staff at New Hope Ministries praying over the donated items to be transported to the couple's new home! Check out the video on our YouTube page about this inspiring story.

wonders you saw with your own eyes.
