New Hope Ministries Update

April 2025

A season of growth and new possibilities!

Spring is a season of **renewal, growth, and fresh starts**—a perfect time to celebrate the journey of nine determined women who have taken a bold step toward brighter futures. Recently, these remarkable individuals graduated from New Hope Ministries' pre-clinical classes, with five completing Nurse Aide training and four finishing Phlebotomy studies. These graduates are now stepping forward into their clinical training at HACC, bringing them closer to careers that will not only change their lives but also make a meaningful impact on the health of our community.

Ask the Lord for rain in the Spring time; it is the Lord who sends the thunderstorms. He gives showers of rain to all people, and plants of the field to everyone. Zechariah 10:1

Expression of thanks from a guest we served:

"I am thankful because if it wasn't for New Hope Ministries, I feel as though this wouldn't have been possible. They go above and beyond. Thank you, New Hope, from the bottom of my heart for giving me this opportunity to not only change my life but to give my kids a better life."

Our **volunteers** are the heart of New Hope Ministries, making it possible to serve our neighbors in need every day. Whether stocking pantry shelves, assisting at community events, or offering a helping hand, their dedication changes lives. We simply couldn't do it without them!

All month long, we'll be shining a spotlight on these incredible individuals on **Facebook and Instagram**. Follow along to see their inspiring stories and the impact they make in our community!
