

Recently, a guest shared her inspiring journey. After facing difficult times and turning to us for support, we walked beside her as she worked to regain stability. With our guidance, she managed her bills and secured a job with a company she truly loves. Now, after four months of steady employment, this is what she shared:

"[My employer] has been an excellent company to work for. It's a win-win opportunity for me—I get paid for helping someone, and it gives me warm fuzzies because I feel like I'm really making a difference in someone else's life. Thank you for helping me and for all you do for others!"

Proverbs 3:5-6

"Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight"
