New Hope Ministries Update

February 2024

Driving toward a better future!

Meet Carl. He worked on a local plant production line in Adams County for two years, struggling to make ends meet for his family, including a newborn baby. His uncle, who is a CDL truck driver, encouraged Carl to get his CDL license to increase his income. To provide for his growing family, Carl inquired about the CDL license at New Hope. Despite juggling work, caring for his baby, and studying for the CDL course, he was determined to pass his test - and he did! Now he's driving for the

very company he used to work for on the production line! Our community of supporters, including the *Adams County Community Foundation* and *Partnership for Better Health*, helps make dreams like Carl's possible in our workforce development and stability programs. **Thank you!**

“But as for you, be strong and do not give up, for your work will be rewarded.”

2 Chronicles 15:7

We need your help to get on the ballot!

Last year New Hope was nominated and WON 3 categories and we'd LOVE to have a repeat performance!

Please visit: stbvote.com/2024 and put New Hope on the ballot for Best Nonprofit, Best Place to Volunteer and Best community service. All these categories are located under the "Harrisburg Area Life" category. Nominate now through February 21st! **Thanks for your help!!**

Meet Paul and Paul! Our dedicated **mobile food pantry managers** for New Hope. They and their loyal volunteers get to brave some pretty chilly temperatures in these winter months to get food to people in need. We are grateful for all they do and we know our guests appreciate the ability to access fresh, healthy food. Many thanks for your support of these programs that bring hope to a community in need. Visit our website at nhm-pa.org to see all 27 mobile locations!
