June 2023 Update

“Hope Rides!”

Do you know about our **Transportation Program**?

Many of the guests we serve are not only struggling with basic needs like food and housing assistance, but also need help with transportation. Having safe and reliable transportation is a necessity when getting to and from a job or other essential life demands. Having proper transportation enables people to improve their living conditions and break the cycle of poverty.

New this year, our program also provides basic instruction on how to care for vehicles to keep them running in their best condition. Pictured here is David who just received a vehicle from New Hope Ministries - he is overjoyed!

Do you have a good-working vehicle to donate to New Hope?
Please give Transportation Manager Michael Tichnell a call today to find out all the details! (717) 432-2087 x213.

Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God.
