New Hope Ministries Update

June 2026

Kicking off the summer with success!

Halimatou came to New Hope Ministries back in 2024 seeking food services. The following year, she began asking about our Certified Nursing Assistant (CNA) program, and it quickly became clear that she was an exceptional student. She continued into our preclinical program, where she truly excelled every step of the way.

She started to study at Dauphin County Technical School in the evenings. Halimatou worked hard towards her goal and we are

thrilled to share she recently passed both her state exam and her clinical exam! She even came back to show us her certificates, and we could not be more proud of her accomplishments.

Halimatou is now looking ahead to pursuing her LPN. When originally asked why she wanted to be a CNA she told us "This is my first step towards being a surgeon. When I was young, a surgeon took care of me and I will never forget it. I want to be a surgeon and this is a first step on that path." We are extremely excited for Halimatou and all the amazing things we know she will accomplish.

John 3:17 (NIV)

For God did not send his Son into the world to condemn the world, but to save the world through him.

Please take a moment to read this incredible note that Halimatou left for us following the completion of our preclinical class. Stories like this are a powerful reminder of the growth, perseverance, and accomplishments happening every day at New Hope. We are so grateful to you for making life changes like this possible.

New Hope Ministries, I am very grateful for this incredible opportunity that you are giving me. This is something I couldn't afford on my own because I am unemployed.
My greatest wish is to become one of your future donors.
One thousand millions thank you, you are amazing and God bless you a lot.

Summer may have just started for the youth in our community, but back to school is already on our minds at New Hope. We are getting ready to host our **Back to School** events to help the families we serve. These events help parents and caregivers prepare their children for the school year ahead by providing much-needed supplies. Below is a list of suggested supplies, but we will gladly accept **any new** school supply donations. Please drop these items off to your nearest New Hope Center by the end of July - thank you!
