New Hope Ministries Update

March 2024

All of God's grace in one little face.

Jade visited New Hope for the first time in January. She was having trouble making ends meet and needed help with heating her home during these cold months. She was very close to having her first baby and we provided her with a baby bundle. New Hope's baby bundles are filled with everything a young mom would need for

their new arrival – and it was a good thing we gave it to her when we did – baby Brooklyn arrived earlier than expected! Jade was thrilled with the help we provided and recently stopped in to introduce sweet baby Brooklyn and take photos.

Jade came to New Hope just looking for help with keeping her home warm and ended up receiving so much more! **She found love, understanding and support.**

Thank you for making these moments possible for guests like Jade and precious baby Brooklyn.

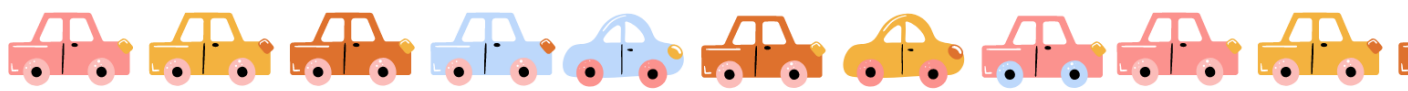

For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.

Ephesians 2:10

Did you hear about Lopa?

We had the pleasure of meeting Lopa when she was asking about New Hope's Certified Nursing program. Her current job was not making ends meet for her and she needed a career with better financial opportunity. She had always dreamed of working somewhere that would allow her to make a difference in someone's life. After speaking with the staff at New Hope, Lopa was eager to obtain her CNA certification. The journey was difficult, and at times, she doubted her ability to succeed. However, with her determination, the support and encouragement of New Hope, she persevered. We are so happy for Lopa and wish her continued success!

Do you own a **good working vehicle** that you would like to donate? If yes, we would love to have a conversation with you! Placing reliable vehicles in the hands of our hard-working guests who are in need of transportation to get to their jobs is a great blessing. If you are interested in donating your vehicle, or learning more, please call Rick today at (717) 432-2087 x213.

We recently hit 6,000 followers on New Hope's Facebook page! That means thousands of people are able to see the work we do in our community. If you would like to stay up-to-date on all things New Hope, please like and follow our Facebook page. www.facebook.com/newhopeministriesinpa
