## New Hope Ministries Update

March 2025

### Double the Gratitude

#### Two Heartfelt Thank You Notes from Those You've Helped

We're thrilled to share two heartfelt thank-you notes from guests we've recently served at New Hope Ministries. One is featured here on the front page, and the other can be found on the back. These messages offer a personal glimpse into the lives of those we help, showcasing the direct impact your support has on people right in our community. We are grateful for your continued generosity and invite you to hear directly from the people whose lives are being transformed thanks to your kindness!!

Thank you, New Hope Ministries for this opportunity it made me confident and urge to pursue my education further in the Health field. CNA will be my first stepping stone in this field. Thank you for helping me find supporting me financially with the tuition fees and all other necessary materials/things that required finance. Financial support that New Hope Ministries rendered helped me and my family overcome the financial stress that we were facing. I have always wanted to pursue my education in the field of health and we didn't have enough funds on our own. So, New Hope Ministries fulfilled my dreams to be in the health field by financing my education. Thank you so much, I really appreciated the help.

**Thank You!**

# New Hope

I just want to take a moment to Thank you for all involved.

Volunteers do so much for me and everyone served.

New Hope has blessed my life beyond words.

I often lift you all up and place everyone on

Father God's lap, in my prayers.

Thanking Jesus everyday for New Hope and all involved.

The actual hands and feet of Jesus Christ!

Thank you for sharing the love of Jesus!

Thank you!

**Beloved,  
let us love  
one another,  
for love is  
from God, and  
whoever loves  
has been born  
of God and  
knows God.  
Anyone who  
does not love  
does not  
know God,  
because  
God is love.**

## Impact Update

Fiscal Year 2024 Annual Report

When we first met Jackie, she was facing the unimaginable—homeless and living in her car after the sudden loss of her mother. The grief of losing her mother, who had been the leaseholder of their home, left Jackie not only without a roof over her head but also overwhelmed and alone.

At New Hope Ministries, we helped Jackie find a way forward. We sat down, listened to her story, and worked together to navigate her finances and develop a plan of action. With determination Jackie found subsidized housing, ensuring she had a safe place to call home, and New Hope connected her to our food pantry, easing her burden a little more.

Jackie's story is one of resilience. Though she was lonely in her grief, she found comfort and companionship with other guests and volunteers at New Hope. With newfound friendships and a sense of belonging, she is turned her life around and rebuilt her future.

Jackie's journey from homelessness to hope is a powerful reminder of the impact your support makes. Together, we're not just providing shelter and food—we're restoring dignity, fostering community, and helping people like Jackie in a time of need.

**Every life transformed!**

*And do not forget to do good and to share with others, for with such sacrifices God is pleased.*

Hebrews 13:16 (NIV)
