New Hope Ministries Update

March 2026

A MARCH Towards Independence

We first met Danielle at the job fair in Hanover, where she shared her story of perseverance and determination. After a season of unemployment, Danielle had recently re-entered the workforce and proudly received her first paycheck, a meaningful step forward toward stability and independence.

However, one major challenge stood in her way. Without reliable transportation, getting to and from work each day was uncertain and stressful. Danielle remained committed to moving forward, and with support from our team and with the generous giving of our community, she was able to receive a vehicle of her own.

What a difference that support has made. Today, Danielle is thriving. She is fully employed, financially independent, and has dependable transportation that allows her to continue building a strong, stable, and secure future.

Stories like Danielle's remind us that when our community comes together, lives are truly changed. Thank you for being part of our mission and helping make journeys like hers possible. Together, we are MARCHing forward to create pathways to hope, stability, and new beginnings for our neighbors.

You, Lord, are forgiving and good,
abounding in love to all who call to you.

**FISCAL YEAR 2025
ANNUAL REPORT**

Terry is a walking testimony to New Hope Ministries' vision statement: **"Every Life Transformed!"**

Before turning to New Hope for help, Terry and her son spent many years moving between motels, relatives' homes, and even their car. After unexpected challenges and crises, they were left without a stable place to land. Every day was filled with uncertainty, and Terry carried the heavy burden of trying to keep her son safe while having nowhere they could truly call home.

Through New Hope's staff and volunteers, Terry and her son received help with food, and ultimately secured safe and stable housing. With a helping hand and the generosity of others, she was able to find stability and begin building a life filled with dignity and possibility.

Today, three years later, Terry still holds the keys to her home. She has become an active member of her community, building friendships and finding the stability she had gone without for so long. She still visits New Hope regularly, staying connected and supported as she continues on her journey. It has been a blessing to see God work through Terry's life, helping her overcome adversity and step into a new season of hope.
