May 2023 Update

“I love my job!”

A year ago, we told you about Sava's journey on the Road to Success! If you recall, Sava had been working over 25 years for the same company. Due to sudden unforeseen circumstances beyond his control, he could not longer perform his job duties and was let go by his employer. Sava came to New Hope Ministries for help,

and he found out about our Road to Success program. By working with our staff, he was able to find a new job that perfectly suited him. We recently checked in with Sava to see how things were going and he exclaimed: **"I love my job!"** We are just delighted at how well things are going for Sava and we excitedly wanted to share his update with you. He has already received a bonus and a raise in the first year he has been employed! Sava is so thankful for New Hope Ministries and he lovingly said,

“I trusted God and God has blessed me.”

And my God will supply every need of yours according to his riches in glory in Christ Jesus.

Thanks to everyone who came to our **Dover Center's 40th Anniversary Event!** During the event, we had the opportunity to celebrate a 40-year long volunteer - Barbie! She began volunteering in Dover Bethany's church basement food pantry with Rev. Barner 40 years ago - yes, 40 years ago!!! *"We would get together weekly to box up food and hand deliver bags and boxes to local families. A few people would gather in the church basement to pack pantry staples (dry goods only, they had no refrigeration). All donations came from local church parishioners at the time. Elaine Myers from the church would find out who needed food and let us know where to bring it"*. From this great work, the Dover Food Bank was founded. She remembers fondly that families were *"so thankful for what they got."* Barbie said through New Hope Ministries we have continued to "grow by leaps and bounds" and she is so glad to have witnessed the growth. She especially loves that our guests can now *"pick out what they want!"* She said it's *"amazing to see the variety and abundance"* we can bless our guests with now! Thank you Barbie for 40 years of loving service to your community. You are a beautiful inspiration!

Long-time volunteer Barbie celebrates with Program Director Sue Fornicola at the 40th anniversary celebration at Dover.
