New Hope Ministries Update

May 2024

Head over heels for books!

Did you know that at each of our nine center locations, we have a Reading Ready Corner with tons of children's books? Guests are encouraged to enjoy the books during their visit and take them home with the promise to bring them back so they can take a new one next time. It's like a mini New Hope library system for our kiddos.

Mom Kimberlee and her daughters Kourtnee and Kynzlee are among those who love visiting our Reading Ready Corner. Sweet Kourtnee is literally "head over heels" for her book! It's wonderful to see how much joy and excitement books bring to our young guests.

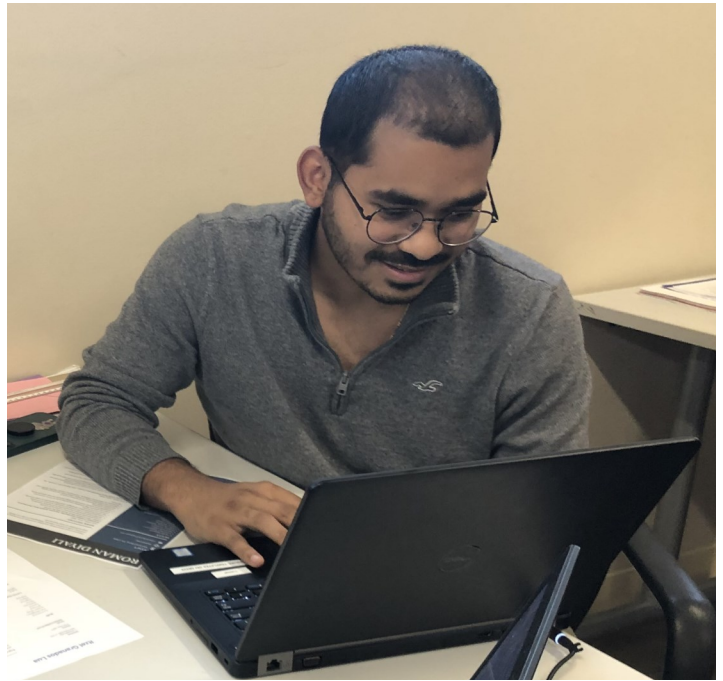

Books are not just tools for teaching literacy but also windows to a world of imagination, language, and emotional understanding. By providing access to a variety of books, we are helping to foster a lifelong love for reading and learning.

We are grateful to the United Way of York County for providing the books for our Reading Ready Corners at our York County Centers.

Thank you for supporting our programs and helping us create these special moments that will serve as a foundation for a lifetime of learning and literacy.

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." Matthew 19:14 (NIV)

Congratulations to our most recent group of students who graduated from our medical pre-clinical class. These students are interested in the following fields: phlebotomy technician, pharmacy technician, medical assisting and EMT. Part of the class included resume building with our Workforce Development staff. Working on resume building is crucial for these students. A well-crafted resume is their first impression on potential employers. It showcases their skills, qualifications, and experiences, increasing their chances of landing job interviews.

Thank you for supporting our programs that provide a pathway to financial stability!
