New Hope Ministries Update

May 2025

## Because of You, Hope Arrives on Wheels

Our mobile food pantry is one of the most powerful ways we meet people right where they are - especially in rural areas where access to food is limited and transportation can be a barrier. By bringing nutritious groceries directly into the

communities that need them most, we help ensure no one goes hungry. A dedicated team of volunteers shows up in any weather to load the trailer, assist guests at the day's location, and unload perishables at the end of the day - making this work possible through their time, strength, and compassion. The smiling faces of all our volunteers who greet guests and carry bags are a testament to the spirit of service that drives this program forward.

Together, we're not just delivering food - we're **delivering hope!**

## Proverbs 22:9

*"The generous will themselves be blessed, for they share their food with the poor."*

**One of our guests shared this beautiful reflection about their experience at New Hope. Their words are a powerful reminder of the impact your support makes every day:**

*“I look forward to my visits. When you walk through the door, you feel the Christian warmth, love and kindness from everyone. This program has been such a blessing to me since things have changed in my life. Someday I hope to be able to give back in some way. I know the Holy Spirit is filled inside this building and I pray that all who enter feel it too. **I want to thank everyone who donates to New Hope! Bless all of you!**”*

## A Note of Thanks!

The services & product you & your volunteers provide have been invaluable to my family for the past year. You run a sterling operation and we cannot thank you enough! — One Grateful Family of four
