## New Hope Ministries Update

May 2026

### From MAYday to Stability!

Tabitha first came to us facing a difficult situation, her vehicle had broken down and needed far more repairs than it was worth, leaving her and her husband without reliable transportation to get to work. Like so many of our neighbors, this was more than an inconvenience. It was a barrier to stability.

Through our Hope Rides program, Tabitha was able to borrow a vehicle and regain that sense of reliability. With transportation in place, she and her husband were able to continue working and begin setting money aside.

With determination, careful saving, and the support of a

close friend, Tabitha was able to purchase a vehicle of her own. Today, Tabitha and her husband have dependable transportation and the freedom that comes with it. What began as a moment of uncertainty became a story of progress, resilience, and hope.

Through this story, we are reminded of all those who make it possible, including our generous donors who give so abundantly and our wider community who share their time, prayers, and compassion so faithfully. MAY we offer our deepest thanks.

Philippians 1:9 (NIV)

And this is my prayer: that your love may abound more and more in knowledge and depth of insight,

**A moment of reflection from a guest in our workforce development program. Their words are a powerful reminder of the importance your support makes every day, and how even a small act can make a big difference:**

*“I am grateful for New Hope Ministries assistance with this opportunity in the new path/phase in my life. As I continue my education as a Pharmacy Tech. It will enable me to use my prior education and knowledge from working in the medical insurance industry to acquire the skills and knowledge to become a Pharmacy Tech ... New Hope Ministries financial assistance has lifted the burden of me taking the course without having to worry about how I was going to pay for it”*
