

At New Hope Ministries, loving hands are at work preparing hot, nutritious lunches for our guests in need. These meals are more than food, they're an expression of God's love and care, reminding each person who walks through our doors that they are

seen, valued, and not alone. Along with our daily meal preparation, our food pantries provide families the opportunity to shop for groceries with dignity, choosing the items that best meet their needs. Whether it's a warm meal shared in fellowship or a cart full of groceries to take home, we believe that feeding others is one of the most tangible ways to share hope. Your support keeps these vital programs going strong.

Together, we can continue to serve as the hands and feet of Christ, nourishing both body and soul in our community.

Whoever has a bountiful eye will be blessed, for he shares his bread with the poor. Proverbs 22:9
