October 2023 Update

Lending a loaner to Leanna!

Meet Leanna, a guest of New Hope Ministries who needed help when her car required extensive repairs. As a result, Leanna had no means of transportation and faced the possibility of losing her job. Fortunately, New Hope was able to provide Leanna with a loaner vehicle through our **Hope Rides** initiative, a new program providing temporary vehicles to guests like Leanna, allowing them to maintain

their daily routines while their cars are in the shop.

Once Leanna's vehicle is repaired, the loaner car will be given to another guest in need of transportation. The Hope Rides program is a remarkable, unique initiative that helps our guests maintain their independence and livelihoods, even in the face of transportation challenges.

If you or someone you know has an operational vehicle that is no longer in use, we encourage you to consider donating it to New Hope Ministries. Your gift will go a long way in supporting our guests' needs and transforming lives.
