New Hope Ministries Update

October 2026

Found Support This Fall!

Messiah is a recent graduate of our pre-clinical program, and she shared with us how meaningful the support she received through New Hope has been. Without New Hope, she said she would still be trying to find her way. Instead, she found the support she needed and people who were willing to walk alongside her throughout her journey.

Through New Hope, Messiah also found community with others going through the program. Their encouragement helped remind her that she was not alone as she worked toward her goals.

Stories and accomplishments like Messiah's are possible because of the incredible support of our community. By helping fund New Hope's programs, you provide the resources and opportunities our neighbors need to move forward. Thank you for helping make stories like Messiah's possible and for helping our neighbors find hope and a path toward sustainability.

**So do not throw away your confidence;
it will be richly rewarded.
Hebrews 10:35 (NIV)**

Let's Talk Turkey!

We are getting ready for Thanksgiving and are in need of turkey donations to share with our guests. If you or someone you know can donate a turkey, we would greatly appreciate your generosity. Donations can be dropped off at any New Hope center during regular business hours.

Thank you for making this holiday season such a special time for our community!

Christmas is Just Around the Corner!

Each year, New Hope Ministries brings holiday cheer at Christmas by giving our guests new, unwrapped gifts for them to choose from. Just as they do when selecting food, guests get to pick gifts that best suit their families' needs and preferences, making the experience more personal and special. If you feel called to spread some holiday cheer, we invite you to take a gander at our suggested gift list on our website. These are just a starting point, feel free to get a gift that you believe would make someone's Christmas extra special!
